8.1 Conference Champion

- 8.1.1** The conference champion will be determined using a point system:
Win = 2 points
Tie = 1 point
Loss = 0 points
- 8.1.2** If two teams are tied with the most points, the champion will be determined by head-to-head competition. If the two teams split their games, the teams will be designated co-champions.
- 8.1.3** Each team is required to play all league games unless weather prohibits playing with a minimum of 14 games needed to be played to determine a conference champion, based on winning percentage. In the event of a postponement, league games are to be made up on the first available date after the originally scheduled contest.
