

TIE BREAKER

POLICIES and PROCEDURES

[7/23/07]

ARTICLE 16 WOMEN'S SOCCER

16.1 Conference Champion

16.1.1 The conference champion shall be decided by a four-team tournament playoff to be played on a Wednesday/Saturday only if Stevens Institute of Technology is hosting the tournament or not in the tournament. Otherwise, the tournament will be played Friday and Sunday. In the event of a tie after overtime in the championship game, co-champions will be declared and penalty kicks will determine the conference automatic qualifier. The participants in the tournament will be determined by a point system (three points for a win, one point for a tie) in round-robin conference play. The school with the highest point total will have the right to host regardless of the type of playing surface.

16.1.2 In the event of a tie, the tie-breakers shall be as follows:

1. Points earned among head-to-head competition between tied teams.
2. Most wins within the conference
3. Least total goals allowed by each of the tied teams in games against each other.
4. Most total goals scored by each of the tied teams in games against each other (to a maximum of 3 per game).
5. Points earned against the highest remaining conference teams in descending order.
6. Goal differential in all conference games (max +/- 3 per game).
7. Least total goals allowed in all conference games (max +/- 3 per game).
8. Most total goals scored in all conference games (up to a maximum of 3 per game).
9. Points earned against all common opponents.
10. Coin toss by conference official.
